NFM, Inc. was founded in historic Baltimore, Maryland in 1998. We have since grown from a local brokerage firm to a national Lender with multiple offices throughout the United States. Featured in Inc 500 Magazine as one of the leading privately-held companies, NFM is continuing on this fast-track by providing a variety of loan products for diverse borrower needs. As a trusted partner, NFM generates a large portion of our loan transactions from repeat clientele. Our company's biggest strong point is the ability to maintain a customer-centric focus while increasing in size.

NFM strives to operate according to our core values. We are dedicated to provide our customers with the highest level of service. We believe in treating others with respect and integrity. NFM works towards our goal of excellence by living and believing our core values. When providing services to our customers and our employees, we are committed to the highest standards of honesty, integrity, and ethics. We strive to ensure our management team, employees, and business associates share our dedication. With this model, NFM will continue to thrive as the leading solutions provider.
